Any item listed here may be borrowed free of charge from the Bureau of Information of the National Society for Crippled Children. Additional literature on any of the subjects discussed will be sent to any interested person upon request.

Articles appearing in this Society's bimonthly magazine, THE CRIPPLED CHILD, or in the bimonthly news letter, THE CRIPPLED CHILD BULLETIN, are not listed in this bulletin.

A complete index for this volume will be issued at the end of the year. Information on periodicals in which articles listed in this issue originally appeared is given on Page 9.

Issued monthly to affiliated state and local societies for crippled children, state agencies engaged in the treatment, education or vocational rehabilitation of cripples, and public or private institutions and agencies having Institutional Membership in the National Society for Crippled Children. Available to others at 50¢ a year.

240. Aid to the Physically Handicapped--A Congressional Investigation. The Volta Review, Apr., 1945. 47:4:206-207. [See article 152 in Feb. Bulletin.]
241. Albin, J. Casting Cutting Tools from High Speed Steel Scrap. Iron Age, Mar., 1, 1945. 155:9:54-57.

Description of equipment and methods at Camp Legion. [See article 342.]

242. American Management Association. Employer Responsibility for Veteran Reemployment, Personnel Series No. 83. 330 West 42nd St., New York. 1944. 50 pp. 75¢.

Includes "The International Harvester plan" by Troy P. Wakefield, Ph.D., a discussion of this company's procedure in reemploying veterans.

243. American Management Association. Veteran Placement and Rehabilitation, Personnel Series No. 85. 330 West 42nd St., New York. 1944. 44 pp. 75¢.

Contains "Preparing the Soldier for His Return to Industry," by Col. George R. Evans; "Tools for Placing Veterans in Civilian Jobs," by Carroll L. Shartle, Ph.D.; and "Psychiatry and Industry," by Lt. Col. Malcolm J. Farrell. Dr. Shartle's article discusses the use of various governmental publications in the selective placement of the handicapped.

244. American Physiotherapy Association. Physical Therapy--A Service and a Career. 1790 Broadway, New York 19, N. Y. [1945.] 15 pp.
245. American Physiotherapy Association. Physical Therapy Training Schools--Approved by the Council on Medical Education and Hospitals of the American Medical Association. 1790 Broadway, New York 19, N. Y. [1945.] 6 pp.
246. Andrews, Claud M. Vocational Rehabilitation Service. Florida Health Notes, Mar., 1945. 37:3:41-45.
247. Army Reconditioning Program. Education for Victory, Apr. 3, 1945. 3:19:31.
248. Backus, Ollie L., Ph.D.; Henry, L. Dell, M.D.; Clancy, John N., A.M.; Dunn, Harriet M., A.M. Aphasia in Adults--The Rehabilitation of Persons with Loss or Disturbance of the Faculty of Speech Resulting from Brain Injury. University of Michigan, Ann Arbor. Jan. 6, 1945. 47 pp. Single copy free. Additional copies in lots of four or more at twenty-five cents each.
249. Baruch Committee on Physical Medicine, The. Journal of Rehabilitation, Mar., 1945. 11:1:30-32.

Excerpts from the Committee's December, 1944, report on "War and Postwar Rehabilitation and Conditioning." [Article 4, Jan. Bulletin.]

250. Bolte, Charles G. The Veterans' Run Around. Harper's Magazine, Apr., 1945. 190:1139:385-392.

Criticism of Veteran's Administration and of the average community's organization of services for veterans.

251. Bosley, Elizabeth. Parents Can Help with Speech. Spastic Review, Mar., 1945. 5:4:6-9,46.
252. Brainerd, Ben R. Vocational Rehabilitation Services. Minnesota Journal of Education, Jan., 1945. 25:5:192.

253. Brown, Garfield W. Employment of Disabled Veterans. Journal of American Insurance, Jan., 1945. 22:1:15,24.

The General Counsel of the American Mutual Alliance discusses its member companies favorable attitude toward employment of the physically handicapped.

254. Burrows, H. Jackson, M.D. Rehabilitation in a Naval Hospital. The Lancet, Mar., 24, 1945. 1:12:370-372.
255. Cessna Builds Walkers. ["For Spastic Crippled Children"] Spastic Review, Mar., 1945. 5:4:25-27.
256. Clark, Dean A. Physical Restoration in Vocational Rehabilitation. Archives of Physical Medicine, Apr., 1945. 26:4:206-213.
257. Compensable Injuries to Minors. Michigan Labor and Industry, Jan., 1945. 7:1:7-9.
258. Corrie, Joe. Experiment in Rehabilitation. Mining Congress Journal, Dec., 1944. 30:12:44-46.

Pictures and description of the rehabilitation center for Scottish miners at the former luxurious Gleneagles Hotel.

259. Council of State Governments. State Provisions for Veterans' Benefits Enacted During 1943 and 1944. 1313 East 60th Street, Chicago 37. Dec., 1944. 30 pp. 50¢.
260. Cox, Robert A. Trading My Legs for Independence. The Valiant, Apr.-May-June, 1945. 2:1:12-15,43.

A legless man tells why he had his paralyzed legs amputated. He now works at a Ford factory and is a Red Cross blood donor.

261. Dean, Carleton, M.D. Special Needs of the Physically Handicapped. Michigan's Crippled Children and Adults, Mar., 1945. 1:1:2.

Calls attention to some handicapped groups not now being served adequately, and points out that many handicaps may be prevented in some of these groups. Emphasizes need for a specially-planned institution for the care of mentally normal, severely handicapped persons.

262. DeWitt, Jean. Little Acorns--Rehabilitation of the Very Young. R.N. A Journal for Nurses, Mar., 1945. 8:6:40-42,64,66,68.

About Mrs. Martha White's foster home for convalescent cardiac children in Marshfield, Mass.

263. Doyle, Mary R., R.N. Sleeping Habits of Infants. The Physiotherapy Review, Mar.-Apr., 1945. 25:2:74-75.

Warns against permitting babies to sleep in a face-lying position, explaining how this may cause various postural and structural deformities.

264. Driver Training Program for Amputees. Reconditioning News Letter, Mar., 1945. pp. 4-7.

265. Elliott, Lucy. Facing the Question. Bulletin of the Missouri Society for Crippled Children, Mar., 1945. 18:1:1,7-8.

[more]

The Supervisor of Special Schools of St. Louis outlines the educational needs of exceptional children in Missouri and tells to what extent the problem is being met. This is the introductory article in an issue in which the following persons describe education programs in their communities: Nelle Cummins, Kansas City; Isobel C. Bruce, Everett H. Colbert, and C. E. Stephens, St. Louis; John Temples and Betty Campbell, Joplin; Agnes Patterson, St. Joseph; and Carolyn Wells Lawing, Springfield.

266. Elliott, Harrison. Hand Papermaking in Occupational Therapy. The Paper Industry and Paper World, Feb., 1945. 26:11:1413-1414.

267. Employment of Disabled Persons in the United States. International Labour Review, Apr., 1945. 51:4:509-511.

Summary of preliminary findings of survey by Bureau of Labor Statistics of United States Department of Labor of 300 industries employing physically impaired workers. Includes statements on placement and transferral policies, adjustment of working conditions, efficiency, absenteeism, and accident rates. [See articles 642 and 686, 1944 Bulletin.]

268. Evans, C. George. Establishing Disabled Veterans. Executives Service Bulletin, Jan., 1945. 23:1:7-8.

The Personnel Director of Air Associates, Inc., Teterboro, New Jersey, discusses the advantages of employing handicapped workers.

269. Facts About Crippled Children. South Dakota Health Highlights, Mar., 1945. 3:3:9-11.

Describes South Dakota's public provisions for crippled children and tells why the South Dakota Crippled Children's Society "has the whole hearted approval of the Division of Crippled Children of the State Board of Health."

270. Ferguson, Thomas, M.D. Resettlement of the Disabled in Work. The Lancet, Mar. 31, 1945. 1:13:391-394.

Brief outline of Scotland's provisions for rehabilitation of the disabled.

271. Friermood, Harold T. Conditioning Men Through Y. M. C. A. Physical Education. The Physiotherapy Review, Mar.-Apr., 1945. 25:2:68-71.

272. Furnas, J. C. Give Me a Man's Job. Saturday Evening Post, Apr. 7, 1945. 217:41:20,93-94.

About the combined occupational therapy-war production program sponsored by the Arma Corporation at two Brooklyn naval hospitals.

273. Georgia Warm Springs Foundation. Annual Report, Sept. 30, 1944. Warm Springs, Georgia. 1944. 12 pp.

274. Girard, Sister Mary Paschaline, S.S.N.D. Another Craft of Interest to Men--Stamp-Poem Collecting. Occupational Therapy and Rehabilitation, Feb., 1945. 24:1:23-26.

275. Girl Scouts. Girl Scouts All--Leader's Guide for Working with the Handicapped. 155 East 44th St., New York 17, N. Y. April, 1945. 28 pp.

276. Gleason, Walter A.; and Stark, James D., M.D. Physical Examinations of Employees Old and New. The Paper Industry and Paper World, Feb., 1945. 26:11:1418-1419.

277. Godfrey, E. S., Jr., M.D. The Medical Rehabilitation of Physically Handicapped Children. Health News, Apr. 2, 1945. 22:14:53-54.

Comments on history and present administration of the New York state program.

278. Gudakunst, Don W., M.D. Infantile Paralysis. The Physiotherapy Review, Mar.-Apr., 1945. 25:2:71-73.

279. Harvey, Verne K., M.D.; and Luongo, E. Parker, M.D. Physical Impairment and Job Performance--Comparative Study of Accident Experience, Production and Efficiency, Sick Absenteeism and Turnover Among 2,858 Physically Impaired and 5,523 Able Bodied Workers in Government Industry. The Journal of the American Medical Association, April 7 and 14, 1945. 127:14 and 15:902-907, 961-970.

280. Hines, Brig. Gen. Frank T. Employment of Veterans--An Analysis of the Problem. Controller, Mar., 1945. 13:3:114-116.

281. Hines, Brig. Gen. Frank T. The Human Side of Demobilization. The Annals of the American Academy of Political and Social Science, Mar., 1945. 238:1-8.

Survey of the problem of readjusting veterans, including the disabled. Leading article in an issue devoted to this subject.

282. Holland, Geneva Mae. Serve Yourself to Independence. The Valiant, Apr.-May-June, 1945. 2:1:16-18, 43.

Confined to a wheelchair, Miss Holland owns and operates a thriving self-service laundry.

283. Huse, Betty, M.D. Care of Crippled Children Under Social Security Program. Journal of Exceptional Children, Apr., 1945. pp. 194-197.

284. Institute for the Crippled and Disabled. Services Offered by the Institute for the Crippled and Disabled. 400 First Ave., New York 10. 1944. 24 pp.

285. Institute for the Crippled and Disabled. Summary of Results, July 1, 1943--June 30, 1944. 400 First Ave., New York 10. 16 pp.

Besides the regular financial and statistical report of the educational, vocational, and social services to the clients of this Institute, this booklet presents an account of their program for the training of Army Air Force personnel in rehabilitation methods and a similar program pending for Veterans Administration personnel who will deal with the severely crippled.

286. Jarrell, A. P. Employment Clinics in Georgia. Journal of Rehabilitation, Mar., 1945. 11:1:15-16.

287. Katz, Beatrice, M.D. Artificial Aids Open the Door to Independence. The Modern Hospital, Jan., 1945. 64:1:86, 88, 90.

Discussion of wheel chairs, walkers, and other aids to locomotion.

288. Keefe, Mrs. Billie Vliet. Report of the Executive Secretary. Tennessee Society for Crippled Children, Stahlman Bldg., Nashville 3, Tenn. 1944. 2 pp.

289. Keith, Janet R. Volunteer Citizens' Committees, Canadian Business, Mar., 1945. 18:3:34-35, 94, 96.

[more]

Tells of the organization and activities of Citizens' Committees to assist governmental programs for rehabilitating veterans in Canada. Some 350 are now organized. Outlines the work of suggested sub-committees on pensions, veterans' land act, reception, personal services, employment, handicapped cases, vocational training, publicity, and services for women veterans.

290. Knowlton, Edna, R.N. The Program of the Crippled Children's Commission. Florida Health Notes, Mar., 1945. 37:3:46,51.
291. Kossoris, Max D.; and McElroy, Frank S. Industrial Injuries in 1944--Preliminary Estimates. Monthly Labor Review, Mar., 1945. 60:3:549-551.
292. Kretschmer, Herman L., M.D. The Problem of the Chronically Ill Patient. The Journal of the American Medical Association, Apr. 21, 1945. 127:16:1025-1027.
293. Littlefield, Joan. Rehabilitation While You Work, Feb., 1945. Occupational Therapy and Rehabilitation, Feb., 1945. 24:1:27-28.

The Austin Motors firm in Birmingham, England, has in its factory a workshop for patients of the Accident Hospital and Rehabilitation Center.

294. Luchars, Robert. New Horizons for Disabled Veterans. Industrial Marketing, Mar., 1945. 30:3:36,54.

A committee of Associated Business Papers has already sponsored publication of more than 70 articles and editorials on preparation and experience of industry in employing the disabled.

295. Maisel, Albert Q. Third-rate Medicine for First-rate Men. Cosmopolitan, Mar., 1945. 118:3:35-37,106,108-110. [Part II, "Our Mental Casualties," appears in April, 1945. 118:4:48-49,181-185.]

Severe criticism of medical care in veterans' hospitals.

296. Maisel, Albert Q. The Veteran Betrayed. The Reader's Digest, Apr., 1945. 46:276:45-50. [Reprinted from Cosmopolitan, Mar., 1945. See above.]
297. Maisel, Edward M. Should Veterans Have Legs? Nation, Mar. 10, 1945. 160:10:271-272.

Criticism of artificial limbs and of research in this field.

298. Martens, Elise H. Back of the Schools--the People. National Parent-Teacher, Apr., 1945. 39:8:28-30.

Brief case stories pointing out the need for nationwide special education facilities.

299. Mayer, Ruth. Don't Overlook the Handicapped. The Modern Hospital, Feb., 1945. 64:2:61.

Advice on employment of the handicapped in hospitals.

300. Mehm, Paul R. Agency Collaboration. Journal of Rehabilitation, Mar., 1945. 11:1:24-25.

The Wilkes-Barre, Pa., district rehabilitation office has cooperated with the local United States Employment Service and several local war industries in arranging mass training and placement programs in the industries.

301. Merritt, Ella Arvilla; and Hendricks, Floy. Trend of Child Labor, 1940-44. Monthly Labor Review, Apr., 1945. 60:4:756-775.

302. Meyer, Agnes E. Community Service--The Model Center at Bridgeport, Conn. The Washington Post, Washington, D. C. March, 1945. 12 pp.

Describes the Community Service Center for veterans which provides a common starting-point for all needed services for the normal and the disabled. The local crippled children's society participates in the program.

303. Minski, Louis, M.D. Psychological Reactions in the Wounded. British Medical Journal, Mar. 31, 1945. 4395:444-445.

304. Mitchell, Capt. Holland C. Physical Medicine in the Rehabilitation of the Veteran of the World War II. Archives of Physical Medicine, Apr., 1945. 26:4:227-232.

305. Montgomery, Capt. Howard H. Rehabilitation in the Navy. Archives of Physical Medicine, Apr., 1945. 26:4:214-219.

306. Morrow, Martha G. Play That Heals. Science News Letter, Apr. 7, 1945. 47:14:218-219.

307. Morton, Major Frank L. Management of Physically Handicapped Personnel. Industrial Medicine, Apr., 1945. 14:4:306,308-311.

Outlines the program of selective placement and follow-up of handicapped civilian employees at an installation of the Army Air Forces in Robins Field, Georgia. Emphasizes the importance of matching job requirements with physical capacities through cooperation of medical and placement units; the need for reexamination at intervals to determine continued fitness for the job; and the importance of overcoming the ingrained prejudice of supervisors toward physically handicapped employees.

308. Muirhead, J. Vocational Rehabilitation for Disabled War Veterans. Journal of the American Association of Collegiate Registrars, Jan., 1945. 20:2:208-216.

Emphasis on provisions for college education and on neuropsychiatric cases.

309. National Foundation for Infantile Paralysis--Physical Therapy Program. The Physiotherapy Review, Mar.-Apr., 1945. 25:2:79.

310. National Society for Crippled Children. Directory of Camps and Related Summer Programs for Crippled Children in the United States, 1944--Part II--Supplement and Post-Season Survey Report. Mar., 1945. Elyria, Ohio. 2 pp. Free.

311. New Hope and a New Job. Production and Engineering Bulletin, Feb.-Mar., 1945. 4:27:73-76.

Describes a new Industrial Rehabilitation Centre in Surrey, England.

312. North Carolina Agricultural Experiment Station. Medical Care Services in North Carolina--A Statistical and Graphic Summary. Department of Rural Sociology, North Carolina Agricultural Experiment Station, Raleigh. Feb., 1945. 82 pp.

313. Nothing New About Music for the Sick. Music Today, Mar.-Apr., 1945. 23:2:22:23. [Reprinted from The American Weekly.]

314. O'Brien, Betty. And So I Grew--An Autobiography. The Training School Bulletin, Feb., 1945. 41:10:190-199.

A cerebral palsied girl tells of her education and aspirations to be a poet.

315. Occupational Therapy Vital in Reconditioning of Wounded. Hospital Management, Apr., 1945. 59:4:107-109.

316. Office of Vocational Rehabilitation. Selected Statements on Vocational Rehabilitation. Federal Security Agency, Washington 25, D. C. Feb., 1945. 49 pp.

Part I consists of an outline of the federal-state vocational rehabilitation system and its major activities with statistics on the number of persons to be served, number of disabled persons employed, and economic costs of rehabilitation as compared with earnings and with costs of maintaining clients on relief. Section II describes rehabilitation of the visually handicapped and of the mentally ill, and the contributions of medical social workers, hospitals, and industrial physicians. Brief case stories of rehabilitating individuals are included.

317. Office of War Information. Veterans Administration. Washington, D. C. Mar. 5, 1945. 3 pp.

A list and brief explanation of the 50 Veterans' Guidance Centers established in Colleges under agreement with the Veterans Administration for advising disabled veterans on suitable training under the federal veteran rehabilitation program.

318. Owen, Capt. J. P.; Kessler, Capt. H. H.; Lindgren, Lt. H. C.; and Kahn, Lt. V. N. M. Rehabilitation of the War Disabled. United States Naval Institute Proceedings, Dec., 1944. 70:12:1439-1450.

An illustrated account of the prosthesis and rehabilitation program for Navy amputees at the Mare Island (California) Amputation Center.

319. Pace, Dodd. Physical Restoration in Florida. Journal of Rehabilitation, Mar., 1945. 11:1:20-22.

320. Palmer, E. W. Report of the President. Tennessee Society for Crippled Children, Stahlman Bldg., Nashville 3, Tenn. Jan. 6, 1945. 2 pp.

321. Paxton, Mary. Societies for Crippled Children. Monthly Bulletin--Indiana State Board of Health, Feb., 1945. 49:2:52.

322. Peoria Has a Plan. The Valiant, Apr.-May-June, 1945. 2:1:2-10,42.

Pictures of handicapped persons at work at the Caterpillar Tractor Co. and R. G. LeTourneau, Inc.; and outline of this community's plan for rehabilitation and employment of the disabled. [See article 62 in Jan. Bulletin.]

323. Pond, Elsie A. Hillside House--A Non-Profit Home School for Spastics. Sierra Educational News, Mar., 1945. 41:3:40.

324. Reis, Hilda. The Theatre in White--Reconditioning Program in the Armed Forces. Theatre Arts, Mar., 1945. 29:3:182-189.

On acting and music in the reconditioning program in Army hospitals.

325. Ropchen, Alexander. Tentative Report of Committee on Rehabilitation Center Project. Council of Social Agencies of Chicago, 343 S. Dearborn St., Chicago 4. Dec., 1944. 5 pp. Mimeographed.
326. Rowe, M. John, M.D.; and Neff, Gladdes B. Physical Therapy After Surgical Metal Fixation. The Physiotherapy Review, Mar.-Apr., 1945. 25:2:59-62.
327. Rudiments of Rehabilitation, The. Journal of Rehabilitation, Mar., 1945. 11:1:26-29.
328. Rutherford, Berneice R. Extraneous Movements in Cerebral Palsy. The Physiotherapy Review, Mar.-Apr., 1945. 25:2:63-67.
329. Salmon, David R. Rehabilitation--An Interpretation. Journal of Rehabilitation, Mar., 1945. 11:1:24-25.

Calls for clarification of terms in this field, and points to the need for public acceptance of handicapped labor.

330. Sammons, Mrs. Dorothy Derby. Arthritis. Occupational Therapy and Rehabilitation, Feb., 1945. 24:1:13-22.
331. Scully, Francis J., M.D. SPA Therapy of Arthritis and Rheumatic Disorders. Archives of Physical Medicine, Apr., 1945. 26:4:233-238.

335. Stephens, Edgar T. Helping the Handicapped to Help Themselves. Illinois Education, Mar., 1945. 33:7:206,223.

Tells of services of Illinois Association for the Crippled.

336. Trigg, Mrs. Louise C. Public Interest in the Handicapped. Florida Health Notes, Mar., 1945. 37:3:50-51.
337. Turner, T. Arthur. The Relationship of Public and Private Agencies. Journal of Rehabilitation, Mar., 1945. 11:1:17-19.

Explains the need and value of societies for the crippled.

338. United States Army, Surgeon General's Office. He's Back. U. S. Government Printing Office, Washington, D. C. 1944. 17 pp.

Advice to family and friends of disabled veterans.

339. United States Department of Labor. Reports of Committees and Resolutions Adopted by the Eleventh National Conference on Labor Legislation, Bulletin No. 72. Washington, D. C. Dec. 12-14, 1944. 34 pp. [1945.]

Includes recommendations on second injury clauses and studies of adequacy of rehabilitation programs in connection with workmen's compensation, and safeguards and prohibitions in connection with child labor.

340. Valentine, Carolyn. Poliomyelitis. R. N. A Journal for Nurses, Mar., 1945. 8: 6:38-39, 72, 74, 76.
341. Van Hoesen, (Mrs.) Stephen G. Within a Garden. Journal of Home Economics, Feb., 1945. 37:2:74-75.

Account of a "gardening therapy" program at Camp Kilmer, New Jersey.

342. Veterans Learn to Make Precision Castings. Foundry, Mar., 1945. 73:3:84-85, 206.

Pictures and brief account of training and products at Henry Ford's rehabilitation camp for handicapped veterans, Camp Legion, Dearborn, Michigan.

[See article 241.]

343. Vineberg, Major Arthur M.; and Murphy, Capt. David R. A New Rocker Type of Cast-Walker. The Canadian Medical Association, Apr., 1945. 52:4:394-397.
344. Wakefield, Troy P. The Re-employment Program of the International Harvester Company. The Annals of the American Academy of Political and Social Science, Mar., 1945. 238:122-126.
345. Wallace, Harold R. Jobs for Veterans Depend Upon Plans We Make Now. The Inland Printer, Jan., 1945. 114:4:35-38.

Urges the printing industry to plan now to get and train its share of efficient workers from the ranks of disabled veterans and civilians.

346. Want of Occupational Therapists Stirs Interest in Training Program. Hospital Management, Apr., 1945. 59:4:106-107.

Tells of training courses at Milwaukee Downer College.

347. [Weissinger, Walter.] Sales Opportunities for Impaired Veterans Are Pointed Out. The National Underwriter, Feb. 16, 1945. 49:7:9.

Mr. Weissinger helped Theodore S. Jones, who had lost both arms and a foot on Guadalcanal [see article 164, Feb. Bulletin], get started as a life insurance salesman; recommends disabled veterans as a good source of future insurance salesmen.
